

Dear 2008 Mountain Lamp Circle of Friends member and future members....

Thank you! You're helping us to live our vision!

The Mountain Lamp Board of Directors thanks you for your loyal and generous support of Mountain Lamp. We're honored to count you among our "Circle of Friends." Your participation through your practice and financial commitment to this work enables the realization our vision of providing a place of respite, retreat and rejuvenation for those who come here to practice with us each year.

Annual Calendar Year Pledge of Support

We have learned from the regional sanghas associated with our Teachers and Mountain Lamp that inviting our members to renew a pledge of financial assistance each calendar year inspires us all to keep the vision alive in our hearts and minds. In establishing an annual pledge we invite you to make a deliberate and conscious decision to renew your commitment to this transformative work in the world.

We know these are tough financial times for many of us. Due to steadily increasing operating costs, the Mountain Lamp Board has elected to raise the threshold contribution for inclusion in our Circle of Friends to \$150 per year. We deeply appreciate that some of you have been generous well beyond the threshold contribution, and hope you will continue to do so.

We invite everyone in our Circle of Friends to stretch your pledge this year and offer as much as you are reasonably able to give. We invite you to renew and fulfill your pledge for 2009 as early as possible in the new calendar year.
